

# 2026 SPONSORSHIP PROPOSAL

## WHO WE ARE

Elevate Oregon empowers youth in four of the East Metro area's most diverse and historically underserved districts: Parkrose, David Douglas, Reynolds, and Vancouver.

## WHAT WE DO

Since 2022, 100% of enrolled Elevate seniors graduated from high school, compared to 92% of their peers. Over the last 10 years, our seniors have a 97.75% graduation rate. We empower kids to excel in the classroom, flourish in life, and become a positive asset in our community.

Our year-round in-school mentoring program integrates with the core school curriculum to raise graduation rates and college enrollment, offering career development and socio-emotional skills to diverse students in grades 6-12. We start early building impactful relationships, with daily mentoring and support in and outside school for 3rd-5th graders.

## THE OPPORTUNITY

Elevate Our Future, our annual celebration and fundraiser, will be held on **April 1, 2026** at Avenue Portland. This party will feature an award for Black Women's Leadership, highlights of our work, and an exhilarating auction and paddle raise. Plus, we'll reveal our new brand! Our vibe is FAMILY and the sneaker theme is always on.
